Yintoni inkqubo yenkxaso yezifakwa zabalimi (FISPs)?

Izifakwa kwifama yeGreen Revolution ziintlobo ntlobo ezahlukeneyo zeembewu, izichumisi nezitshabalalisi khula eziphuculweyo. Ezizifakwa kumele ukuba zithengwe- kumaxesha amaninzi ngummeli karhulumente, umrhwebi osisazi ngezomhlaba okanye umrhwebi.

Eli gama lithi nkxaso lithetha ukuba kukho umntu ozakubonelela abalimi ngento ukubancedisa ukuba bathenge ezizifakwa. Lo 'mntu' kumaxesha amaninzi ngummeli karhulumente okanye umrhwebi weizfakwa ezo, 'lento' idla ngokuba yimali mboleko okanye imali ezalayo.

'Inkxaso' ' ivakala ngathi urhulumente okanye umrhwebi wenzela umfama into elungileyo kodwa amafama kumele aqaphele izivubeko zemali mboleko okanye ezalayo ekuhambeni kwexesha. Le nkxaso ikhokela abalimi kumgibe wetyala abangasoze bakwazi ukuphuma kuwo. Ingaba kwenzakalani xa ungakwazi ukulibhatala ityala?
