

Batho ba Afrika Borwa ba qobellwa ho fetjwa dijo tse hanwang ke dimiliyone tsa batho lefatsheng ka bophara

Afrika Borwa ke yona feela naha ya Afrika e lemanang poone ya GM (e hodiswang ka mokgwa wa dijini), mme hape ke yona feela naha lefatsheng e dumellang batho ho ja dijo tsa ka mehla tse hodiswang ka dijini (GM).

Phoofo e se nang GM ha e fumanehe mona Afrika Borwa hobane poone yohle e lengwang e hodisitswe ka dijini (GM) kapa e silafaditswe.

Ho sa le jwalo, dimiliyome tsa batho lefatsheng ho pota - ho kenyelletswa le dikarolong tse ding tsa Afrika - ba hana ho ja dijo tsa GM. Yuropa, ke bonyane dinaha tse 6 tse thibetseng ho lengwa ha poone e hodiswang ka dijini*.

Batho ba Afrika Borwa ha ba na boikgethelo - Di-GMO di silafaditse dijo tsa rona tsa ka mehla

Diteko tse entsweng ke laboratory e ikemetseng lebitsong la African Centre for Biosafety (ACB) hodima mabitso ohle a phoofo e mebarakeng ya rona di bontshitse ha dihlahiswa di na le maemo a hodimo haholo a poone e hodisitsweng ka dijini (GM maize).

Molao wa Tshireletso ya Bareki e leng Consumer Protection Act o laela hore bahlahisi ba dijo ba tshwaye ka ho hlaka hape ka nepo dijo tsa GM hore ba tle ba nehe bareki lesedi le nepahetseng le boikgethelo. Empa hona ha ho etsehe.

Le ha ho le jwalo ho tshwaya ho ke ke ha neha batho ba Afrika Borwa boikgethelo ba sebele; poone e leng teng feela mmarakeng ke ya GM. Hona ke kगतello dijong! Poone eo e seng ya GM e tshwanetswe ho fumaneha bakeng sa ho

phethahatsa tokelo ya rona ya demokerasi ya ho kgetha seo re se jang!

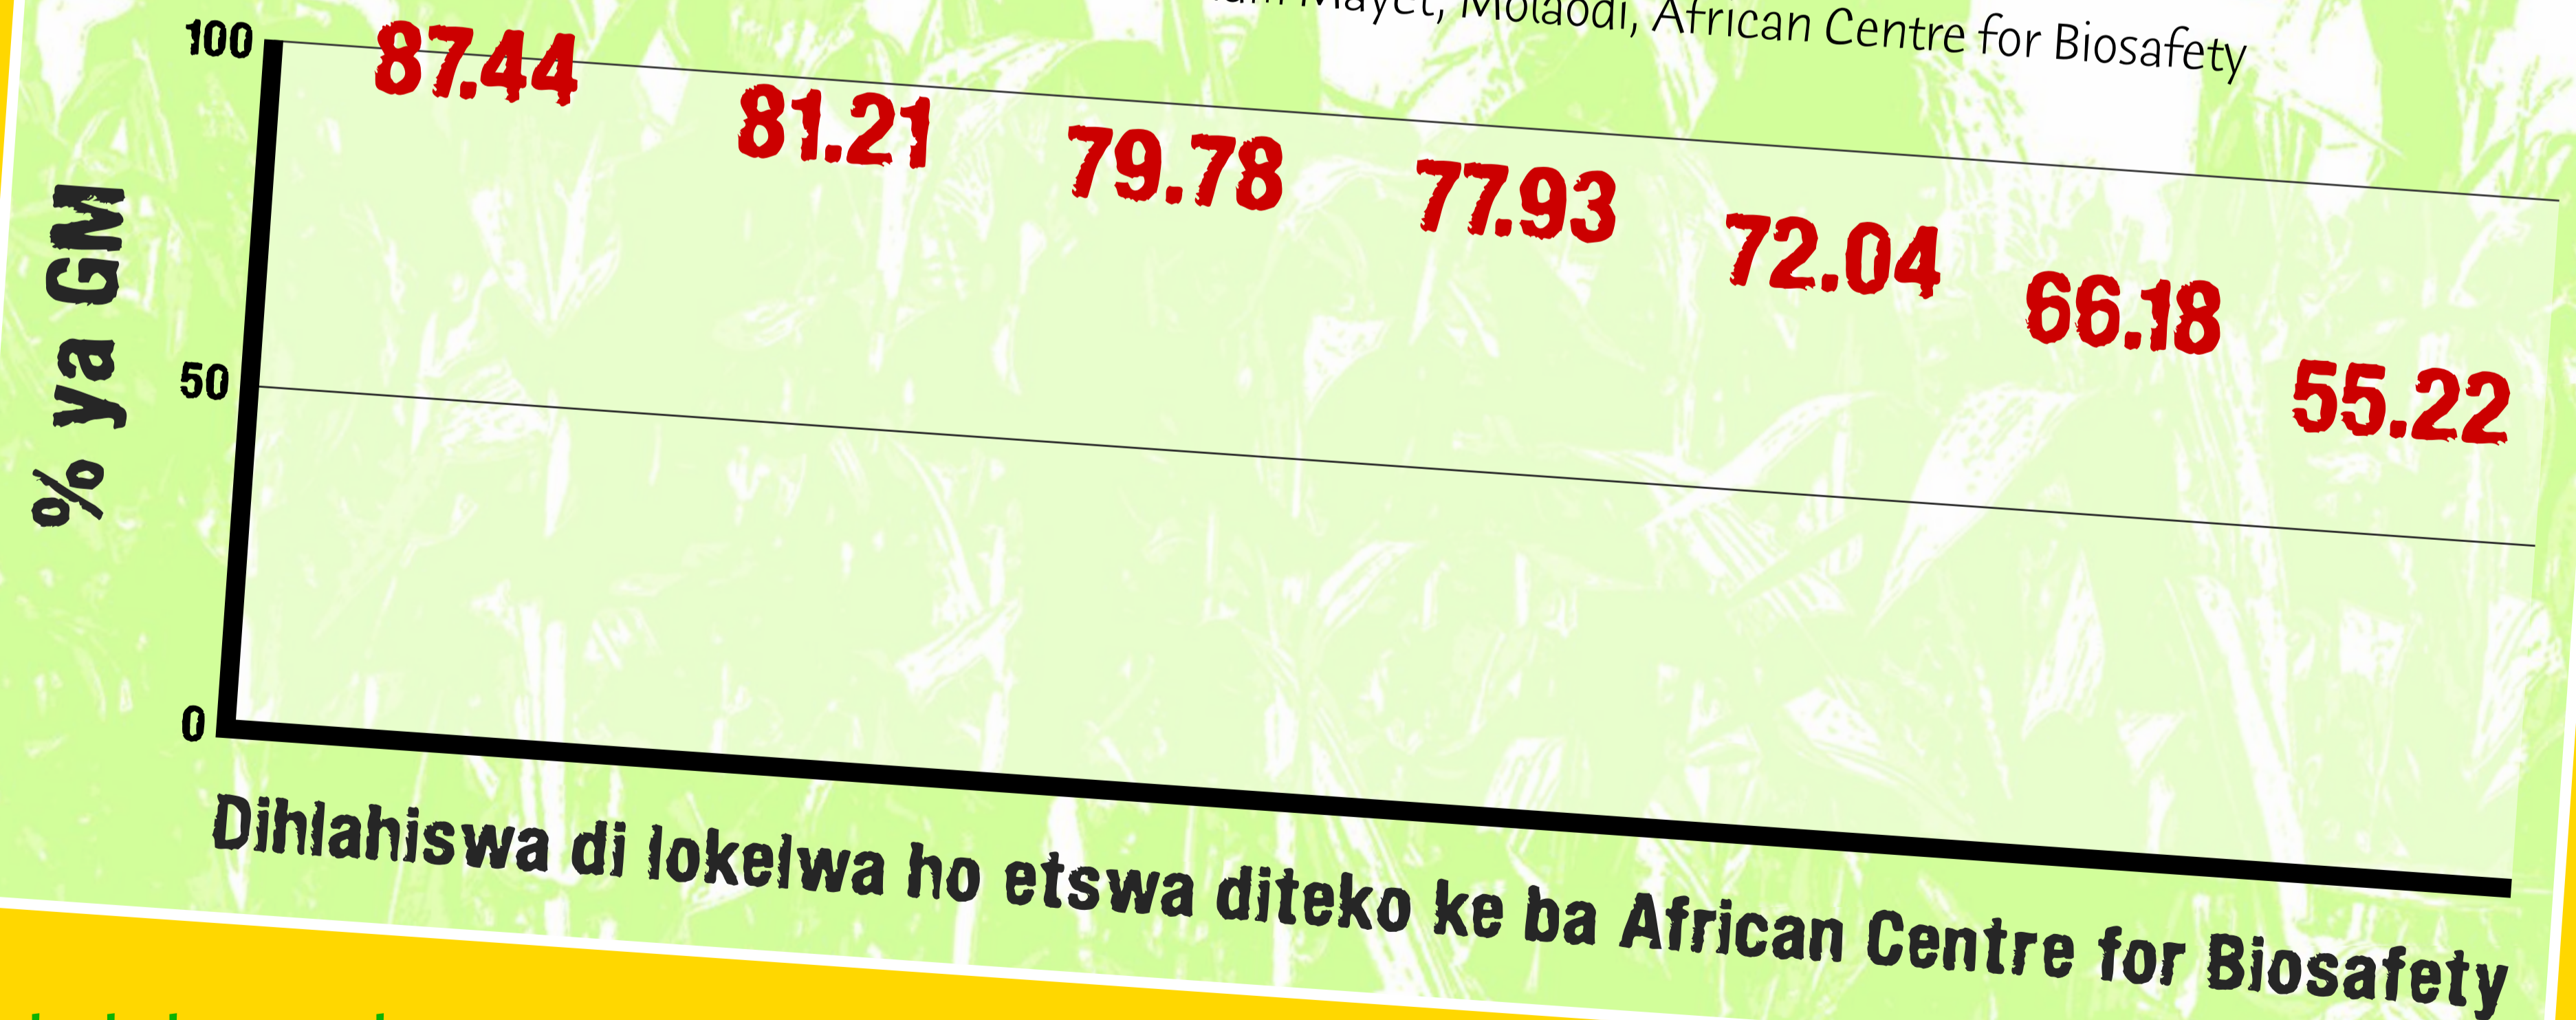

Re na le tokelo ya ho fumana dijo tse bolokehileng!

PAPA YA DIHLAHISWA TSE HODISWANG KA DIJINI (GENETICALLY MODIFIED): BATHO BA AFRIKA BORWA HA BA NA BOIKGETHELO

Poone ya Afrika Borwa e tswakuwe le GM

Bongata ba batho ba Afrika Borwa ha ba je feela poone ya GM hobane ba sa tsebe kapa ka tumello ya bona, empa hantlente ha ba na boikgethelo kapa ho hong hoo ba ka ho fuwang.
